
ATIKOKAN AMATEUR RADIO CLUB
MEETING MINUTES
30 JUNE 2010

Note: This meeting was held on the air, on the VE3RIB repeater, primarily to review Field Day 2010 operations for the purpose of improving the event in 2011.

Present: Warren Paulson VE3FYN (President), Erik Larson VE3ENL, Margaret Sumerleigh VE3OWL.

Meeting convened at 7:00 pm on 147.120+

Comments on Field Day:

- Location was good and should be used next year.
- Possibly have a small contingent at VA3EOA station as a public relations exercise.
- Winter club project: built a portable 20 metre beam antenna.
 - VE3OWL has two 25' sailboat masts that we could use for masts.
- VE3OWL now has a 16' boat.
- VE3FYN should fix his stove.

VE3FYN explained the menu functions of the Kenwood TH-F6A radio.

Meeting adjourned at 7:45 pm.
